

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

(10) Milk which is shown by analysis to contain any substance, or substances whatsoever, not natural or normal constituents of milk, or to have been deprived, either wholly or in part, of any constituent naturally or normally contained in milk.

(11) Milk containing any preservative or antiseptic.

(12) Milk which immediately upon being drawn from the cow shall not have been cooled to a temperature of 77° F., or lower, and kept at such temperature until delivered.

Sec. 78. *Condensed milk, buttermilk, and sour milk.*—Nothing herein shall be construed to prevent the use, sale, or manufacture of what is known as condensed milk, evaporated milk, concentrated milk, or what is known as buttermilk, or what is known as sour milk, provided the same are made, compounded, or prepared from pure, clean, fresh, wholesome, and unadulterated milk within the meaning of this code, are in sound and wholesome condition, and contain no preservative or antiseptic whatever; and, provided also, that in the case of condensed, evaporated, or concentrated milk it should contain, all tolerances being allowed for, not less than 25.5 per cent of total milk solids, and not less than 7.8 per cent of milk fat.

Further, condensed, evaporated, or concentrated milk shall contain no added butter or butter oil incorporated with it at any stage of its manufacture.

Sec. 79. *Skimmed milk.*—Pure skimmed milk shall be permitted for sale or delivery, provided that the cans or vessels containing it shall be distinctly labeled "Skimmed milk" in letters $1\frac{1}{2}$ inches high.

Laundries—Sanitary Regulation. (Reg. Bd. of H., Feb. 11, 1915.)

Sec. 84. All laundries, or buildings used for laundry purposes, shall have the floors and walls to a sufficient height constructed of an impervious material. The location, plans, and construction of such laundries or buildings shall be approved by the board of health or its agents.

Barber Shops—Sanitary Regulation. (Reg. Bd. of H., Feb. 11, 1915.)

Sec. 85. All barber shops, together with all furniture, shall be kept in a cleanly and sanitary condition. The floors shall be disinfected, washed, and scrubbed with hot water and soap or lye at least twice each week or oftener, if necessary.

Mugs, shaving brushes, razors, scissors, clipping machines, pincers, needles, and other steel instruments shall be sterilized by immersion in boiling water or in alcohol of at least 60 per cent strength after each separate use. Combs and brushes shall be thoroughly cleaned with water and soapsuds after each separate use.

A separate clean towel shall be used for each person. Alum or other material used to stop the flow of blood shall be applied only on a towel or other clean cloth.

The use of sponges and powder puffs is prohibited. Every barber shop shall be kept well ventilated and be provided with at least one wash basin or sink with an adequate supply of clean water. Every barber shall thoroughly cleanse his hands immediately before serving each customer. No person shall be allowed to use any barber shop as a sleeping room, and no foodstuffs or articles of food shall be permitted to be kept for sale in any barber shop. All barber shops must be entirely cut off from any place where articles of food are kept for sale and from rooms used for sleeping.

Stables and Disposal of Manure. (Reg. Bd. of H., Feb. 11, 1915.)

Sec. 86. Every owner, lessee, tenant, or manager of any and every building or place in or upon which any stall, stable, or apartment in the built-up portion of any city, town, village, or settlement in the Territory in which any horse, cattle, or other animal is kept, or of any place in which manure, stable refuse, or any liquid discharge of such animals shall collect or accumulate shall cause such manure, stable
